Course ID	Semester	Course Name	Units of Credit

Description of how this Course meets General Education Objectives:

Please check that you have:

- Read the General Education Rules in the Undergraduate Handbook
- Attached a copy of your current Academic Statement

Note: Science courses cannot be substituted for General Education courses. A maximum of 6 UOC of mainstream courses may be substituted for General Education. Students are advised that a substitution of a mainstream course for General Education will not be approved unless the proposed substitution meets the General Education objectives.
